WILL BE FOUND ON THE LAST PAGE OF
THIS NEWSLETTER. BE SURE TO MARK
YOUR BALLOT AND BRING IT TO THE
NOVEMBER MEETING OR MAIL IT TO THE
CLUB P.O. BOX TO ARRIVE BY NOV. 17.

THANKS TO PARTICIPANTS OF 'SET'
ON FRIDAY, OCTOBER 28, 1988
By Larry Kaye, W6CPO, DEC

JUST A SHORT NOTE OF THANKS TO
EVERYONE WHO PARTICIPATED IN AND
HELPED WITH THE 'SET' FRIDAY
MORNING OCTOBER 28. WE HAD ABOUT 40
HAMS ACTIVE AND ANOTHER 40 OR SO
WHO CHECKED INTO THE EARLY MORNING
NET. EVERYONE IS TO BE COMMENDED
FOR A JOB WELL DONE !! I HAVE
HEARD A NUMBER OF STATEMENTS MADE
RELATIVE TO THE 'FINE JOB' DONE BY
RACES. OUR TEAM WORKED WELL, THE
PACKET PRACTICE PAID OFF--MESSAGES
MOVED NICELY. I HAVE NOT YET HAD
TIME TO ANALYZE THE MESSAGE TRAFFIC
WITH RESPECT TO QUANTITY AND SPEED
OF TRANSMISSION, BUT I PLAN TO DO
THIS NEXT WEEK.

AT OUR REGULAR MONTHLY 'EC'
MEETING ON WEDNESDAY, 2 NOV., HELD
AT REGION II ON CIVIC DRIVE IN
PLEASANT HILL, WE REVIEWED THE
OPERATION FROM OUR STANDPOINT.

I WILL TRY TO GET SOME OF THE
ATV TAPES TO SHOW IF I CAN.

AGAIN, MANY THANKS TO ALL.

CITY & COUNTY OFFICIALS COMMEND RACES/ARES ON 'S. E. T'. By Jim House, KA6IVF, E.C.

On October 28, 1988, about forty of your fellow amateur radio operators participated in the major RACES/ARES activity so far this year in Contra Costa County. It was the major activity only because we have so far luckily avoided a real disaster.

Those participating included: AA6DL, K6EUR, K7SDF, KA6FEJ, KA6IVF, KA6SQN, KB6IOJ, KB6IXU, KB6QPN, KB6RMT, KB6UU, KB7BGM, KD6BA, KD6DY, KI6TB, KI6YK, KT6Y, N6CUK, N6GOZ, N6LGB, N6LZM, N6NFR, N6PMF, N6QHF, N6RBY, N6ROB, N6SIA, N6ZA, W6CPO, W6LKE, W6NKF, WA6AEO, WA6BVL, WA6DQN, WA6YEU, WA6ZFZ, WB6BDD, WB6MZQ, WD6GDG, N6VV, N6NVA.

At the post operation review the RACES/ ARES group was singled out for applause by all of the City and County officials present. Among those present and unanimously gracious in their thanks for our efforts were the County Administrator, Mr. Phil Bachelor, Sheriff Rainey, Consolidated Fire Chief Maxfield, and County OES Director.

It wasn't easy to find almost forty of our members who could get time off from their jobs or were otherwise flexible enough with their time to help out on a week-day morning, but together we got the job done, and for the most part in good fashion.

Will we be ready when we are needed by all or most of our cities and agencies, plus shelters, not just a small sample? Only if we keep working at it. This yearly flurry of activity does not guarantee us a county wide disaster communications capability that has enough depth to last out three days, rather than three hours. Especially in our "High Tech" modes, we need a lot more practice.

As usual, the non hams we were working with weren't aware of our shortcomings, only from the inside do we see how much better we might have done things. Monthly exercises on our own are being considered by some of us to enhance the level of professionalism we are working toward. We are getting a lot better at this, lets try to make different mistakes next time.

S.E.T. REPORTS REQUESTED

All operators involved please address any comments on your experience to me or W6CPO at N6VV. We are especially interested to find out what problems you had at your locations with getting messages from the agencies and having someone responsible for picking them up. Your comments about any problems with the system which you observed would also be useful, especially those involving frequency choices and interference problems.

LETS CLEAR THE RECORD By Jay Caldis, KT6Y, Trustee

I would like to make it clear to the members of the MDARC and the RRRG Repeater Group why the repeater has a very short timer, has been turned off at times and why it is now on PL.

The Repeater Group voted to request users to keep their use short during commute times of 4:00 - 6:30 P.M.. This is a time when mobiles and home stations want to monitor the repeater to receive messages and to report traffic tie ups and to report accidents etc. If users RAG CHEW for long periods of time, other users are hesitant to break into their qso's and do not want to monitor the repeater and listen to others rag chewing. The repeater during these times should be used to make contacts and move off to other low level repeaters and simplex. The fact it is not being used is not an excuse to start rag chewing.

Almost everybody has complied with the repeater group's request. During the day and late evening when things are quiet it really doesn't matter. We have set the timer for 15 seconds to discourage this rag chewing. Even then with proper operating practices by releasing the mike button adequate conversations may be held. A few individuals have refused to cooperate with the majority. I apologize for this and hope we can change things in the near future.

As to the repeaters being put on PL. This is NOT to keep anyone out of the machine. It has been done to prevent interference being repeated through the repeaters. It is meant to keep the machines CLEAN. The frequency (PL) is 100 Hz. It will be taken off for all public service events and nets.

I invite all users to attend the next meeting of the repeater group on November 16, 1988. Come and give the group your news and suggestions.

PLEASE ENUNCIATE YOUR CALL SIGN CLEARLY AND DISTINCTLY

.....AND PRESS THE PUSH-TO-TALK BUTTON BEFORE YOU BEGIN SPEAKING ! EVERY DAY ON ANY FREQUENCY, CALL SIGNS ARE GIVEN SO FAST AND SO POORLY ENUNCIATED THEY CANNOT BE DISTINGUISHED. HOW CAN ANYONE REPLY TO A STATION UNDER SUCH CIRCUMSTANCES EXCEPT TO ASK THAT THE CALL SIGN BE REPEATED. THE CALLING STATION KNOWS HIS/HER CALL SIGN WELL AND SEEMINGLY EXPECTS EVERYONE ELSE LISTENING TO KNOW OR UNDERSTAND IT.OUR EARS NEED MORE TIME....PLEASE.....

PRESIDENTIAL QRM

IT'S ELECTION TIME AGAIN FOR BOTH THE RRRG STEERING COMMITTEE AND THE MDARC BOARD. TRY AS I MIGHT, I COULD NOT GET A SECOND SLATE OF CANDIDATES TO RUN AGAINST THE CURRENT MDARC BOARD WHO ARE RUNNING AGAIN! I HAVE INSTRUCTED "THE CARRIER" EDITOR TO LEAVE A BLANK FOR WRITE-INS, JUST IN CASE YOU CHANGE YOUR MINDS AND DECIDE YOU WANT TO ELECT SOMEONE ELSE! PLEASE BRING YOUR BALLOT TO THE NOVEMBER MEETING TO BE TALLIED OR SEND IT TO OUR POST OFFICE BOX IN TIME TO BE RECEIVED BEFORE OUR NOVEMBER MEETING.

I HAVE RECEIVED CALLS CONCERNING THE ROCKY RIDGE REPEATER OPERATION. (PLEASE SEE THE ARTICLE IN THIS ISSUE BY JAY CALDIS, OUR TRUSTEE). I HAVE BROUGHT THESE CONCERNS TO MDARC BOARD MEMBERS AND WILL MAKE THE RRRG STEERING COMMITTEE AWARE OF YOUR CONCERNS. AS I STATED ABOVE, THE RRRG IS HAVING ELECTIONS ON THE 16TH OF NOVEMBER AT THEIR MEETING. IF YOU ARE NOT HAPPY WITH THE PRESENT POLICIES, COME RUN FOR OFFICE AND CHANGE THEM! IF YOU DON'T WANT TO RUN FOR OFFICE AT LEAST COME EXERCISE YOUR RIGHT TO VOTE FOR SOMEONE WHO WILL FOLLOW YOUR DESIRES.

IF YOU CHOOSE NOT TO DO EITHER OF THESE THINGS, THEN I EXPECT I WON'T BE HEARING FURTHER COMPLAINTS.

I WOULD LIKE TO THANK EVERYONE WHO PARTICIPATED IN MAKING OUR OCTOBER AUCTION SUCH A ROUSING SUCCESS!! WITHOUT ART VE2AQV AND SCOTT N6LGB WHERE WOULD WE BE. THANKS TO SCOTT WB6PQM FOR HIS HELP AND TO ALL THE BOARD MEMBERS WHO DID A TREMENDOUS JOB OF HANDLING SUCH A LARGE AUCTION!

MY LAST REQUEST IS THAT YOU HURRY AND SIGN UP FOR THE MDARC XMAS PARTY THAT IS BEING HELD ON DEC. 3. WE WILL BE HAVING A CATERED DINNER FOR \$6.50 A PERSON. SPECIAL CHILDRENS PRICES AND DETAILS ARE LISTED IN THIS ISSUE OF "THE CARRIER" (page 4). WE MUST HAVE YOUR MONEY IN ASAP SO WE CAN RESERVE YOUR DINNER! SEE GEORGE WB6OFH WHO IS AGAIN TAKING CARE OF OUR PARTY ARRANGEMENTS, AND GIVE HIM YOUR MONEY!

WE WILL BE HAVING THE MDARC CLUB AWARDS THAT EVENING AND I HOPE YOU WILL ALL PLAN TO ATTEND, JUST IN CASE YOU ARE GETTING THAT BIG AWARD! JANE

N6NVA HAS BEEN ASKING FOR INPUT FROM OUR CLUB MEMBERS, VIA A SURVEY, WHO SHOULD GET THESE AWARDS. IF YOU HAVE SOMEONE IN MIND PLEASE SEE HER AND LET HER KNOW. I, ON THE OTHER HAND, HAVE BEEN THINKING UP SOME OF MY VERY FUNNY AWARDS AND HOPE YOU ARE THERE TO RECEIVE ONE!! WE HAD SUCH A REALLY FUN EVENING LAST YEAR AND I KNOW THIS YEAR WILL EVEN BE BETTER, SO PLEASE PLAN TO ATTEND. YOUR CLUB OFFICERS ARE ALSO SWORN IN THAT EVENING AND I KNOW THEY WOULD APPRECIATE SEEING YOUR CLUB SUPPORT BY BEING THERE IN PERSON.

I AM LOOKING FORWARD TO SEEING YOU AT THE NOVEMBER MEETING WHICH IS ON FRIDAY THE 18TH. UNTIL THEN, 73.

VICKI, N6KLS

MDARC AUCTION By Scott Thomas, N6LGB Auction Chairman

ON OCTOBER 21, 1988 OUR CLUB HAD THE BEST AUCTION IN THE HISTORY OF THE CLUB. WE HAD 129 PERSONS REGISTER. 16% WERE SELLERS, 45% WERE BUYERS.

I WOULD LIKE TO THANK THOSE WHO DONATED EQUIPMENT TO THE AUCTION, THOSE WHO BROUGHT EQUIPMENT, THOSE WHO BOUGHT EQUIPMENT AND THOSE WHO ATTENDED.

IT TOOK A LOT OF WORK ON THE PART OF MANY AND I WOULD LIKE TO TAKE THIS OPPORTUNITY TO THANK THE FOLLOWING FOR THEIR HELP: DICK KT6X, JAY KT6Y, LARRY W6CPO, SCOTT WB6PQM, LAUREN WA6CIE AND ELIZABETH (XYL), JIM KA6IVF, KEN WR6I, DICK AA6DL, GEORGE WB6OFH, VICKIE N6KLS AND ART VE2AQV. IF I'VE FORGOTTEN TO MENTION ANYONE I APOLOGIZE.

WE WILL STRIVE TO KEEP OUR AUCTION AT THE LEVEL WHICH WE HAD THIS TIME, A LOT OF GOOD QUALITY EQUIPMENT. WE WILL CONTINUE TO STRIVE TO KEEP THE ITEMS BROUGHT TO THE AUCTION AT A QUALITY LEVEL.

THANKS TO EVERYONE INVOLVED, AND I'M LOOKING FORWARD TO SEEING YOU AT THE NEXT AUCTION.

=====

GOOD INSTINCTS USUALLY TELL YOU WHAT TO DO LONG BEFORE YOUR HEAD HAS FIGURED IT OUT !

DISNEYLAND MICKEY MOUSE REPEATER

Disneyland California has a 2-meter repeater for visiting HAMS. When you enter the park, check-in at the business office inside the main entrance. Tell them you're a Ham and that you have a 2-meter HH. They will explain the use of the repeater (operation requires a touch-tone access pad).

You are asked to keep the receiver on and in addition to making contacts with other Hams you may be asked to help with 'situations' as they occur; lost children, etc. It's public service and it comes to the attention of the public.

Disneyland gets the service of trained communicators in situations within the park to everyone's benefit.

ELECTRONIC BANDAGES

....supposedly heal wounds faster. The new bandage is covered with a 'treatment antenna' that releases a low level of battery-powered radio frequency energy. The bandage is kept on the wound for 14 days and then discarded. The makers of the bandage say wounds heal 30% faster, are less painful, swell less, chances of infection are reduced and the quality of the newly formed skin is improved. The bandage will cost about \$5. (W5YI REPORT)

ANSWER TO OVERCROWDED PRISONS

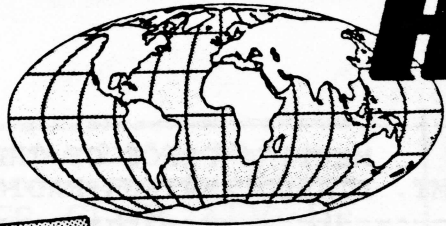

Texas has one answer to overcrowded prisons.....home confinement....! Inmates are fitted with a radio transmitting device that warns authorities if the prisoner leaves the home without authorization. A company 'watches' prisoners for \$7 a day as compared with \$50 a day conventional confinement costs.

(W5YI Report)
